### CAFETERIA

The College has a spacious, fully furnished and well-ventilated canteen, with separate seating sections for staff and students. Hygienic and homely food is made available at reasonable rates. Staff and students can avail the privilege of having good quality food. This is one of the favourite hangouts of the students, where they discuss academic and other matters over tea and snacks or lunch. Food parcels are also available. It is open from 9.00 am to 3.30 pm.
